Mosman Oil and Gas Limited (AIM: MSMN) the oil exploration, development and production company, is pleased to announce that further to the Operations update on 17 February, the Falcon-1 well in East Texas, USA returned to gas and oil (condensate) production on 21 February as the freezing weather conditions eased.

John W Barr, Chairman, said: "The widespread production challenges in Texas last week, was partly created by the rolling blackouts and freezing weather conditions. Mosman is pleased that the operator at Falcon and the on-site contractors have reinstated production and kept downtime to a minimum."
