("Mosman" or the "Company")**

**Cinnabar-1 well production update**

Mosman Oil and Gas Limited (AIM: MSMN) the oil exploration, development, and production company, provides an update in respect to the Cinnabar-1 well in Tyler County, Texas.

The Cinnabar well was drilled in October 2022 and is now in the process of being completed and placed on production.

All the required production equipment, including tubing, has been procured and is now on site. The preferred service rig has been contracted and will be mobilised to Cinnabar once other work has been completed.

As a result, the revised schedule for the next phase of site operations is now early in December, with initial production flow rates anticipated to be announced in mid-December.
